

# 10 REASONS TO BUY LOCAL

Shopping local helps other area merchants such as Restaurants, Fuel Stations, and Entertainment Theatre.

Build a better tomorrow: if you love the community you live in it is better to see growth and future sales right in your back yard. It is great to have your favorite restaurant, boutique, or salon minutes instead of hours away. The stronger the sales network is, the stronger the future will be.

Success in numbers: the more local community involvement and by linking neighbors local business becomes stronger and are able to help fund sports and scholarly events.

Promotes community activities: helps build higher level of interest in local causes, functions and events.

Jobs and wages: the stronger the local economy the higher rate of jobs and wages will be available to spend.

Diversity: the ability to have more smaller shops increase different brands and product choices. The ability to do business in a down to earth small town atmosphere. Sales, deals and promotions are easier to modify and don't need corporate permission.

Service: Most local businesses are more passionate about your buying experience and will go the extra mile to make sure you are satisfied after the sale.

Support future growth of the community: the future of the community lies within the ability to grow and maintain a healthy environment.

Purchasing from local vendors helps more than the few small businesses that receive the sale.

Local taxes collected help fund local school and road projects.
