## HIGHLIGHTED INGREDIENTS

### CARTHAMUS TINCTORIUS (SAFFLOWER) SEED OIL

Provides antioxidant properties, reverses the damage of free radicals, and soothes rough skin and irritations.

### MANGIFERA INDICA (MANGO) SEED BUTTER

A plant-based emollient with natural Vitamin A & fatty acids; promotes tightening, plumping, and firming of the skin while adding hydration.

### SODIUM HYALURONATE

Possesses hydrating benefits to improve hydration & compromised moisture barrier, repair signs of aging, improve breakout-prone skin, plump & firm the complexion.

### PROPYLENE GLYCOL

A humectant attracting water which prevents water loss, enhances ingredient penetration, and addresses visible signs of aging.
