

Snooki® Ultra Dark 70x Black Bronzer with Skin Firming and Toning

Product Type: Bronzer

The Formula Story:

It's about the ultimate in attitude and style when you use Snooki's Ultra Dark 70x Black Bronzer. This blinged out Bronzer is perfect for the Guido/Guidette tanner that wants more! Rich, powerful Bronzers provide deep, dark, dramatic color while advanced Skin Firmers leave your skin looking toned and tightened. Enriched with Vitamins and Skin Conditioning Extracts, your skin will look and feel amazingly soft, smooth and ready to party.

Features & Benefits:

- 70x black bronzing blend of Black Walnut, Henna and DHA allows skin to continue to darken after UV exposure, for the deepest, darkest tan imaginable.
- HyperDark™ Tanning Technology immediately prepares your skin for deep, rich golden color.
- Vitamin enriched skin conditioner blend helps skin fight against environmental stress for a more radiant and healthier looking glow.
- Advanced skin firming blend helps to smooth and improve skin's texture for a more toned and tightened appearance.
- SoftChic™ skin moisturizers with Coconut and Sweet Almond Oil hydrate skin leaving it feeling silky smooth and sexy.

Additional Selling Points:
