

## #86365 Resurface Exfoliating Mitt

Description: Resurface Exfoliating Dual-Sided Mitt unveils healthy, radiant skin. Designed to lift away impurities and perfect the skin while avoiding irritation. Ideal for removing unwanted self-tanner.

Directions: For best results, shower with warm water to loosen skin cells. Select the side with your desired texture and firmly rub back and forth to reveal new resurfaced skin. After use, rinse mitt and air dry.
