

#86366 Sea Foam Tanning Mousse 5 oz.

Scent: Mango

Description: Transport yourself to the beaches of the South Seas islands with Sea Foam Tanning Mousse. Our mousse-take free formula includes a rich brown tint for easy application and instant gratification. Sea Foam will dry immediately without leaving you sticky so you can get dressed and enjoy your tropical glow.

Directions: For best results, apply with the South Seas Sea Sponge Luxury Bronzing Mitt. Use sparingly on feet, knees and elbows. If hand applying, wipe off the inside of your hands and between your fingers with a damp washcloth. Wait 6 hours before showering.
