

## #86367 Sea Sponge Luxury Bronzing Mitt

Description: Sea Sponge Luxury Bronzing Mitt provides smooth, streak-free, professional tanning results. Soft, silk and reusable, and designed with a waterproof lining to protect your palms during application revealing a flawless, beach ready look.

Directions: For best results, exfoliate prior to application with Resurface Exfoliating Dual-Sided Mitt. Dispense a small amount of self-tanner or body bronzer onto the sponge. Apply to the skin in long, even strokes and use sparingly on hands, feet and dry areas. Repeat as necessary for full coverage. After use, rinse mitt and air dry.
