

#86372 Tahitian Tan Mist 7 fl oz.

#86373 Mini Tahitian Tan Mist 2.5 fl oz.

Scent: Coconut

Description: Capture the essence of the South Pacific with South Seas Tahitian Tan Mist. Our lightweight, quick-drying formula has been scientifically developed to give you a gorgeous mahogany glow with ease. While Vitamin C, Vitamin E and Cranberry Seed Extract retain moisture, Copper and Caffeine combine to firm and tighten your skin revealing a young, healthy, hydrated look.

Directions: Use outside or in a well-ventilated room or shower. Hold can 12 inches away, applying in a sweeping motion. Use tanning mist sparingly on hands and feet. When spraying face, close your mouth, your eyes and hold your breath. Allow 10-15 seconds to dry. After application, wear dark, loose fitting clothing. Wait at least 8 hours before showering.
