# Colour Me Dark Express Tanning Mousse

**Perfect for all skin tones! Choose your shower times based on your skin type and how tanned you want to be.**

## DESCRIPTION:

The ultimate solution for a natural-looking tan! You decide how dark you want to be. With its unique blend of organic and natural ingredients, this mousse allows you to achieve a beautiful, hydrated long-lasting glow! Jojoba oil is used in our self tanners as it does help the longevity of the tan.

## HOW TO USE:

We recommend applying the mousse with a sunless tanning mitt. Use 1-2 pumps per body part & application. Apply more as needed until the desired colour result is achieved. You will have instant colour due to the bronzer (organic caramel) upon application as this acts as a guide colour to help you know where to apply. Once you shower, you will find the bronzer washes off. Your skin will continue to tan & develop up to 24 hours after you've applied the product.

## RINSE TIME:

## KEY INGREDIENTS:

Jojoba Oil  
(Coconut) Fruit Extract  
All natural Citrus Scent

## INGREDIENTS:

Aqua\*\*, Dihydroxyacetone\*\*\*, Aloe Barbadosensis Leaf Juice\*, Caramel\*, Lactobacillus Ferment\*\*\*, Polysorbate 20, Coco-Glucoside\*\*\*, Glycerin\*, Ethoxydiglycol, Sorbitan Laurate\*\*\*, Dimethicone, Hydrolyzed Jojoba Esters\*\*\*, Bambusa Vulgaris (Bamboo) Extract, Cocos Nucifera (Coconut) Fruit Extract\*\*, Polyglyceryl-4 Laurate\*\*\*, Dilauryl Citrate, Lactobacillus\*\*, Citrus Grandis (Grapefruit) Peel Oil\*, Citrus Aurantium Dulcis (Sweet Orange) Seed Oil\*, Styrax Benzoin Resin Extract\*\*\*, Rosmarinus Officinalis (Rosemary) Leaf Extract\*\*, Tocopherol\*\*, Xanthan Gum\*\*, Lecithin\*\*, Sclerotium Gum\*\*, Pullulan\*\*.
