

sunna

Professional Series Super Gel Whitening Session

**Sensitivity Free, Enamel Safe Teeth
Whitening guaranteed to brighten your
smile 2-8 shades!**

DESCRIPTION:

Super Gel is a stronger, more intense whitening treatment than the SunnaSmile Professional Whitening Treatment. With the pen & brush application, the client can come in for a back to back session or a touch up treatments while using the same pen. The client gets to keep the whitening brush, lip balm, mouthwash all in an adorable drawstring carrying case. For re-booking clients, Touch-Up Kits are available for purchase so you don't need a new kit every time.

HOW TO USE:

SunnaSmile is a 20 minute whitening routine. Whether it's using us everyday to help achieve your desired whiteness level or every 1-2 weeks to maintain your perfect white smile. SunnaSmile is customizable to your individual needs. The gel can also be added to your toothpaste to help prevent those daily stains. Let's get your smile as bright as it should be, safely and easily.
