Spray Them Advanced Tanning Solution: Light | Medium | Dark

Sunna's Signature 12 hour solution. Formulated to be super hydrating, blendable and forgiving! Scented with Vanilla Fruit Water. It looks great on every skin tone and type.

DESCRIPTION:

Spray Them Solutions are crafted with a blend of skin-loving ingredients, ensuring a lighter and more effortless application. This solution is a dummy proof option for all levels of artists. It contains enhancers to help with even application, provide an even tan and skin loving ingredients to provide moisturizing benefits.

HOW TO USE:

After using our Set Me Spray, coat the client with two light coats of the advanced solution and finish with Powder Me. This signature Sunna Solution has a recommended shower time of 12 hours after application.

After using Advanced Solution ensure the client is extra careful with palms, and feet. Clients should be careful to not get wet or touch themselves before showering. During their first shower, simply rinse and do not use body wash or shave.
