

sunna

Whitening & AfterCare Gel

**Hooked on your new bright smile?
We've got you covered with this refill
for your Advanced Home Whitening
Kit.**

DESCRIPTION:

We're confident you'll get hooked on your bright new smile. Don't worry, we've got refills when you need a refresh. This includes a 50ml whitening gel pump. Includes: 50 ml whitening gel pump.

HOW TO USE:

Apply a thin layer of gel along front edge of Home Kit tray, both top & bottom. Use as a toothpaste booster by applying a pea sized amount of both toothpaste & whitening gel. Post Treatment Recommendations: Drink only water for the next hour after using SunnaSmile whitening products. For the next 24 hours after whitening, do not consume food or drink that are likely to cause stains. These include: blueberries, curries, beets, carrots, dark gravy, tomato sauces, red wine, coffee, tea, colas, etc.
