- Sunstyle® pH Balancing Spray 4 oz
- Sunstyle® Shower Gel 3.4 oz

### BENEFITS:

- Exfoliating Scrub gently polishes and prepares your skin
- pH Balancing spray hydrates and balances the pH levels of the skin for even and maximum absorption of sunless solution
- Non- Alkaline, Sulfate Free Shower gel cleanses without stripping away your sunless tan

### PRODUCT DESCRIPTION:

The Sunstyle® Prep Kit is the perfect add-on when booking a sunless spray tan. Exfoliate with **SUNSTYLE®** Exfoliating Scrub at least 24-48 hours prior to your sunless spray tan session. Spray on **SUNSTYLE®** pH Balancing spray immediately prior to your session to reduce chances of splotchy or streaky results. Cleansing with Sunstyle® Shower Gel will extend and enhance your bronze color. Paraben Free, Sulfate Free, Gluten Free & Cruelty Free
