## LINE STORY

It's always summer at the bay! Retreat to Emerald Bay® a private ocean cove where only the surf, sand and sun define you. Specially formulated just for you, Emerald Bay® products offer waves of deep bronze perfection as you kick back and enjoy fun in the sun. Real tropical ingredients and a seaside state of mind... now you can own the beach!

## COLOR TECHNOLOGY

**Carrot Oil Complex:** An infusion of Carrot and Tyrosine helps stimulate melanin production to develop a natural glow. Sweet Almond Oil, Sunflower Oil and Safflower Oil moisturize, smooth and soften leaving skin feeling refreshed and renewed.

## SKINCARE TECHNOLOGY

**Agave Nectar:** Rich in proteins, energy, and vitamins that help provide nutrients to the skin for healthier looking skin. Agave Nectar is also packed with sugars and minerals for radiant skin.

**Pomegranate:** Contains powerful antioxidants and provides excellent moisturizing and soothing properties.

**Ginger:** A known skin rejuvenator, combines detoxifying and invigorating properties for more toned appearance.

**Fresh Fruit Peels:** Orange, Grapefruit, Lime, and Tangerine peels are known to contain Vitamin C, which provides essential skin protection against free radicals and leaves skin rejuvenated.
