LINE STORY

It's always summer at the bay! Retreat to Emerald Bay® a private ocean cove where only the surf, sand and sun define you. Specially formulated just for you, Emerald Bay® products offer waves of deep bronze perfection as you kick back and enjoy fun in the sun. Real tropical ingredients and a seaside state of mind... now you can own the beach!

COLOR TECHNOLOGY

Bronzers: Caramel provides instant, dark color while DHA promotes and develops long-lasting color.

Tropical Heat: A blend of ingredients including Cayenne Pepper and Turmeric delivers Level 7 Hot Action and leaves skin with a dark, scarlet hue.

SKINCARE TECHNOLOGY

Agave Nectar: Rich in proteins, energy, and vitamins that help provide nutrients to the skin for healthier looking skin. Agave Nectar is also packed with sugars and minerals for radiant skin.

Safflower Oil: Contains beneficial nutrients and fatty acids that nourish skin while also helping to diminish the appearance of dry skin.

Coconut Oil: This oil provides natural hydrating properties while also helping to prevent moisture loss for long-lasting color.

AVAILABLE SIZES

8.5oz Tube | .5oz Packette
