**COLOR TECHNOLOGY**

**DHA Bronzing Complex:** A special blend of DHA, Caramel, Cocoa and Annatto. Annatto contains Beta Carotene, a natural colorant helping induce skin pigmentation. Caffeine found in Cocoa assists in increasing circulation, giving skin a beautiful rosy color. Orange Peel and Camu Camu are essential to obtaining deep color and are rich in antioxidants and vitamins.

**SKINCARE TECHNOLOGY**

**Super Soothe Complex:** This combination of Apple, Oat milk and Aloe will have you falling in love with your soft skin. Apple’s antioxidants, phenolic compounds and flavonoids help to preserve the health and vitality of skin. Oat milk and Aloe with their gentle, soothing properties work to calm your delicate skin.

**Soothing Olive Butter Blend:** A delightful Olive Butter Blend prepares the skin for dark, glowing color by softening and soothing, providing suppleness. Coconut Water and Sea Salt have electrolytes that help to combat dry skin. Shea Butter and Coconut Oil intensely moisturize to leave skin feeling luxurious.

**Barrier Balm:** Sealed with a kiss from Vitamin A and Vitamin E, this balm allows skin to naturally rehydrate while helping to shield and improve the skin’s barrier function. These vitamins have been found to help protect against signs of aging by defending against external, environmental aggressors to improve the appearance of the skin for a youthful look that will leave you truly smitten!
