### TO USE

Shake before use. Dispense a quarter size amount of any lotion into the palm of your hand. Add three tingle drops for a light reddening and tingling effect, or six tingle drops for a heavy reddening and tingling effect. Mix well with fingertips. Apply evenly to body. Repeat as needed until desired coverage of body is reached. Wash hands immediately after application. Do not apply drops directly onto skin as they are designed specifically to be mixed with lotion. Do not add directly to a container of lotion. These drops are designed to be mixed with each use

### COLOR TECHNOLOGY

**Tingle Additive:** Formulated to provide the reddening effect of a tingle, but with only a mild warming sensation. Perfect for those who love the flush of tingle color, but hate the feel.

### SKINCARE TECHNOLOGY

**Vitamins C and E:** Work to fight free radicals to rejuvenate and brighten skin.

**Moisturizers:** Blend of moisturizers featuring Glycerin help balance and hydrate.
