PRODUCT STORY – Vital™ Collection

Find your way back to nature with Vital™ Age-Defying Natural Bronzer! Breathtaking Color Complex delivers beautiful instant color while Skin Revival uses a renewing blend to assist in circulation. Experience the power of plants extending the life of your tan and preventing hydration loss. Let the Natural Moisture Blend revive your appearance by supporting the skin's barrier, keeping it soft and smooth. Your skin matters, give it what it needs with Vital™ Collection!

COLOR TECHNOLOGY

Breathtaking Color Complex: Caramel provides an instant awe-inspiring glow for a natural looking tan while Glycerin keeps skin hydrated by drawing water into the surface layers of skin, helping to relieve the feeling of dryness.

SKINCARE TECHNOLOGY

Skin Revival: An age-defying blend of Vitamin C and Oxygen, known to improve circulation, brings you back to your roots and rejuvenates skin with a powerful blend of antioxidants and vitamins for a brighter, plumper, and more youthful appearance.

Plant Power: Chlorella and plant derived squalane help prevent water loss from the skin, even skin tone and extend color development while brightening your complexion.

Natural Moisture Blend: Coconut Oil combines with a vitamin-rich natural moisturizing ingredient to help support the skin's barrier by retaining moisture, rendering it soft and smooth to the touch.
