POISON APPLE™

Maximum Intensity Extreme Thermal Fueled Silicone Accelerator

Feeling a little poisonous? This Professional Grade Extreme Thermal Fueled Silicone Accelerator feeds that fiery mood! Poison Apple is Maximum Performance by Design and the results are extreme. Bite me!

- **Thermal Blushers** increase microcirculation and bring oxygen to the skin surface for **extreme Hot Action**. *Not for the faint of heart.*
- **Patented Tanositol®** synergistically boosts collagen production, hyper accelerates the tanning process and enhances and extends the life of bronzing and sunless results.
- **Luxurious Silicones** increase nutrient absorption and melt into skin for younger and healthier looking skin.
- **Slimbuster-L®** uses Brazilian Coffee Oil to decrease lipogenesis, stimulate collagen and improve elasticity.

♥ Paraben, Phthalate, BPA & Cruelty Free

HOT ACTION LEVEL 1 2 3 4 (5+)

EXTREME THERMAL ACTION: Intense skin warming and redness will temporarily occur shortly after application. This indicates the skin surface is being supplied with more oxygen and vital nutrients for maximum performance.

Fragrance: Sensuous and Mouthwatering Tropical Fruit & Sun drenched Flora
