

## TOP SECRET™

### 20XX Fast Action Ultimate Silicone Dark Tanning Lotion

If you're a serious tanner (you love super-rich, exceptionally dark color), this 20XX Fast Action Ultimate Silicone Dark Tanning Lotion is for you. Intensive moisturizers deliver superior hydration, while high levels of ultra-efficient Silicones deliver Advanced Accelerators faster than ever before. If your tan is maxed out and you need to go darker, you have just been classified to use this highly potent dark tanning lotion.

*Warning: For Serious Tanners Only. Use only if you want the darkest tan possible.*

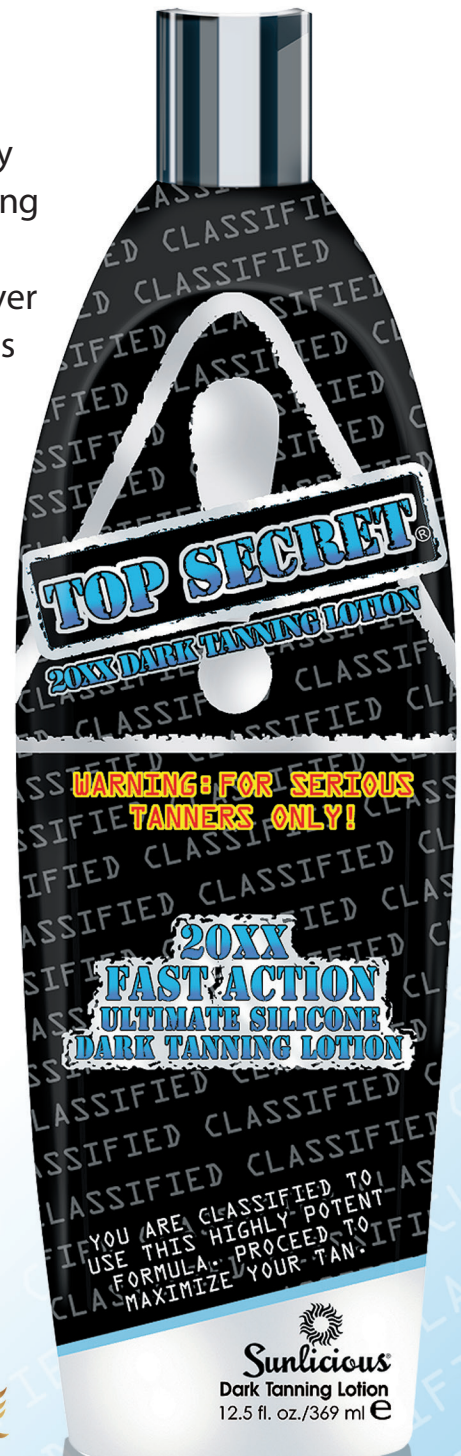

- **Luxurious Silicones** increase nutrient absorption and saturate skin in dewy soft richness.
- **Proprietary Melanogen™**, a powerful tan maximizing blend, specifically stimulates melanin synthesis for more rapid tanning results.
- **Pearl Microspheres** soften skin tone variations and promote a luminous and glowing finish.

♥ Paraben, Phthalate, BPA & Cruelty Free

*Fragrance: Vanilla Sweet Almond*
