

## \*New\* Malibu Gold

Beautiful Tattoos with a  
flawless bit of tan!

We're gonna have our cake  
and eat it too this time,  
beautiful body art that looks  
bright and fresher, and a  
flawless touch of tan that  
deepens to a darker bronze  
with every application. A  
power-packed blend of natural  
extracts perfectly moisturizes  
& conditions, so showing  
more skin is definitely in.
