

Double Dark Wild Side

Sometimes, you just have to let your wild side show. A whole new definition of bronzer, this clean beauty blend utilizes wild extracts & perfectly potent natural oils to achieve a level of color, radiance, and skin conditioning so brazenly dark it deserves a category all its own: Wildbronzers!

- Completely new 400X Wildbronzers utilize nature's most potent extracts for plateau-busting color
- Ultra-Dark Jamaican Black Castor Oil gives your tan a breathtaking brilliance & tone
- Double the amount Carrot Oil pushes your bronze all the way to the wild side
- Clean Beauty formula! Paraben-free, Sulfate-free, Phtalates-free, Gluten-free, Cruelty-free, Formaldehyde-free, and Vegan
