DOUBLE SHOT

Strawberry Margarita

Advanced 400X Bronzer
Agave & Prickly Pear Color Cocktail

What is summer without sun & margaritas?? It's like we took the best parts of your favorite tropical vacation ever, and blended them all for a tanning cocktail that leaves you stunningly bronze & beautiful with your worries a million miles away. So what are you waiting for?

- 400x Double Shot bronzers elevate your tan to elite levels of color.
- We also doubled our Blue Agave, Prickly Pear Cactus, and Strawberry Extract Complex to tone your skin and color to a breathtaking bronze.
- Since everything is getting doubled, 2x Carrot Oil is twice-as-nice and ensures maximum tanning beauty.
