

New!

**DOUBLE SHOT**

# Champagne Stardust

## **400X Double Shot Bronzer Champagne & Peptide Shimmernova**

Mirror the dark mystique of the stars and shimmer of the night sky. Never one to fade into the background, you become the center of the universe when you enter the room. Despite your ostentatious arrival you still exude a beautiful elegance, as the light ever so delicately dances off your skin with a bronze radiance that eclipses all others around you.

- 400X Double Shot Bronzing is finally the darkness you crave
- A Glamorous Nano Shimmernova utilizes new shimmer tech for an ultra elegant glow
- Champagne Extracts & Peptides infuse skin with a beautiful look & feel
- Unique cosmetic blend allows this lotion to be used as a boost of darkness between sessions or for special occasions

***Fragrance: Champagne & Pomegranate Petal***

### **Key Ingredients:**

- Grape Ferment Extract
- Aromatic Lavender Compounds
- Skin Smoothing Polymers
- Pomegranate Seed Oil
