

# sleep on it

## sweet dreamz

calming body wash - 473ml / 16fl oz

wash away the worries of the day

### what am i?

wash the day away + tell your problems you'll sleep on it with an ultra-calming florally blend that'll have you mellow and ready for a pillow. when the day has left you feeling a lil' deflated, the added goodness of hyaluronic acid will rehydrate + moisturize for skin as soft as the pillow you'll be hittin' after your wind-down-wash. 'cos nothin' gets you fresher than a damn good sleep.

### why you'll love me.

- i'll soothe your senses with my calming florally scent
- i'm enriched with hyaluronic acid to moisturize and leave you with calm, silky soft skin
- i'm jam packed with a blend of plant and mineral-based ingredients to naturally cleanse skin and keep you smelling great
- paraben free. cruelty free. skin-loving ingredients. natural fragrance. 100% vegan.

### how to use.

apply generously to wet skin with hands or loofah. lather up your bod, rinse off and hit the hay. sweet dreams, cutie pie.
