

positive vibes only

lush lavender - 75g / 2.64 oz

deodorant infused with jojoba oil

oh the serenity...

no bad vibes allowed near these happy pits. with the sweet, calming scent of lush lavender, your pits will be practically smiling and shoo-ing away those haters bringing bad vibes. just roll me up and wipe me in your pits when they're clean & dry. that's it, you're good to go.

what am i?

even better, the added goodness of jojoba oil will add an extra boost of hydrated happiness without the nasty bad vibes of parabens, aluminium and alcohol. let's be real, everyday is a positive day once those pits are taken care of. so get them smelling like lavender & feeling nourished AF and tell those bad vibes bye-bye!

why you'll love me.

- i'm packed full of skin loving ingredients
- enriched with essential oils to give your that oh-so-fresh feeling
- enhanced with hyaluronic acid to soothe underarms and keep your skin feeling great
- aluminium free, alcohol free, paraben free formula
