

i don't want tan on my hands

keep that tan off your hands...

tanning mitt

a tan mitt that helps create the most awesome tan in the world, without the nasty tan hands.

what am i?

let's cut to the chase, we know you want to b.tanned. we know you want to look hot... ready for those insta selfies. so we won't waffle about the amazing dark results; the name pretty much says it all. just use this product and have an awesome 'dark' tan instantly. simple. no excuses! use this mitt when applying your tan. it will stop your hands looking like you have pigged out on doritos, while helping you get that awesome dark tan!

why you'll love me.

- helps create the smoothest, most awesome tan on the planet
- protects hands from that nasty tan hands look
- did you notice i have a thumb? for EASY tanning
- i'm washable and reusable

how to use.

slide your hand into mitt. did you notice it's kind of like a mitten? your thumb has its own spot - for EASY tanning. put a small amount of b.tan self tan mousse or lotion onto the mitt. smooth all over your body in circular motions. ta-da! an awesome dark tan with no streaks. designed for lefties or righties - any hand will do! when you're done - rinse the tan mitt and leave to dry.
