1 hour self tan mousse - 200ml / 6.7fl oz

darker violet based 1 hour self tan mousse that knocks out the orange tones when you're ready to come over to the dark side (in an exotic rich dark tan) you obviously want something exotic, steamy, and different from all the rest. well darling, we can promise a dark tanning experience you won't soon forget. just sign your name on the dotted line... and let's get started on that funky time ;)

what am i?

a violet base dark, dark 1 hour self tan mousse. no, i'm not going to turn you purple. my violet base knocks out orange tones, making me perfect for first-time tanners and those who want no orange in their tan game.

why you'll love me.

- i'm perfect for you when all you want is a natural dark tan
- no gimmicks, no fake tan smell just the most awesome, natural dark tan on the planet
- 1 hour development time, leave on for 4+ hours for darker results
- i'm 100% vegan, free of nasties like parabens and i love animals so i'm 100% cruelty free

how to use.

first up, get naked. or at least naked enough to tan your super hot bod. make sure your skin is clean, exfoliated and dry. apply mousse with your b.tan tan mitt, wash your hands, wait at least 1 hour and then shower. if you want it crazy dark - double coat it, leave on for 4+ hours.
