

Ideal™
Beyond Line
Devoted Creations
Color Correcting Transfer Resistant Bronzing Formula
With skin revolutionary skin 'Blurring' optimizers

FEATURES:

- Matte Finish Airbrush Bronzers
- Color Correcting Formula
- Boosts Collagen production and helps reduce stress caused cell damage
- Provides anti-aging and skin-firming benefits by using Renovage™, Ideal Lift™, Technologies
- Mela-Dark™ and Nouritan™ Tanning Technologies for plateau breaking results
- New Advanced Matrixyl Synthe 6
- Soft Cotton Fragrance

BENEFITS:

- Color Correcting Airbrush Bronzers for flawlessly even dark color
- Advanced Matrixyl Synthe 6 - Powerful anti-aging peptide that reduces the appearance of fine lines and wrinkles for long-lasting results
- Bioactive tetra peptides – Activates Collagen production and decreases appearance of fine lines, wrinkles and skins overall roughness
- Lipochroman-6 – Helps to reduce stressed- caused oxygen loss in skin and the appearance of skin cell damage
- Nouritan™ Technology – a complex mixture of tanning activators and accelerators encapsulated within a delivery system that is designed to quickly penetrate the skin and stimulate Tyrosine activity to promote an even and long lasting, dark tan.
- Mela-Dark™ technology assists the skin in developing the perfect golden tan
- Extreme bronzing blend combines intense levels of DHA and natural bronzers as well as cosmetic bronzers to deliver an immediate healthy glow to the skin
- Blended with extreme levels of silicone and the new black silicone, which create a barrier on the skin to lock in moisture and provide a silky, smooth feel

KEY SELLING STATEMENT

Ideal™ is your IDEAL tanning optimizer. This perfectly hand crafted product allows for superior dark color almost instantly with added benefits of color correcting and airbrush finish technologies so you achieve flawless ultra-even color every time. Added MelaDark and Nouritan will transform the skin by jump-starting the tanning process while allowing your own natural color to develop over time. Anti aging, firming, and fine line and wrinkle reducers make this your IDEAL tanning companion.
