KEY SELLING STATEMENT:

You ask and you shall receive! Ignite Noir™ is a first of its kind. This hot action tingle is a breakthrough formula that will activate an intense skin inferno in even the most experienced tingle connoisseurs. Kollaren™ and FreshTek™ are coupled together to fight wrinkles and eliminate after tan odor. Deep penetrating black bronzers will counteract the reddening caused from the high tingle concentration so you leave the salon with that straight from the islands, bold color. Just like the name implies... Ignite your noir.
