

VIOLET

COLOR BASE PRO SPRAY MIST | 1 HOUR EXPRESS TAN

A RICH, WARM SUPER DARK BROWN FINISH

Look like you've just stepped off the beach in Positano or flew in from a Mediterranean holiday escape. Violet gives you a rich, super dark brown finish. A mix of violet and dark brown bronzers counteracts yellow and orange undertones in your skin to deliver a natural looking rich, warm tan. The 1 Hour Express Tan formula contains Fast Tanning Actives with Quad Bronzing Technology to speed up the tanning process.

KEY FEATURES

- Australia's iconic beach bronze
- Fast drying
- No orange tones
- No fake tan smell
- All over even skin finish
- Suits all skin types and tones

KEY INGREDIENTS

- Coconut Oil
- Vegetable Glycerin

RESULTS

A rich, warm super dark tan with a flawless, airbrushed skin finish.

Violet Pro Spray Mist suits all skin types and tones for those wanting a rich, warm super dark brown skin finish.

Our fast tanning actives begin to work immediately after application. Guide cosmetic bronzers will wash away during your first lukewarm water rinse, while tanning actives continue to work within the skin and deepen in time replacing the cosmetic bronzers as they are washed away during the first shower.

Formulated for salon professional use.

INGREDIENTS
