

BRONZE ON APPLICATOR MITT

VELVET APPLICATOR | BETTER IN COLOR

MINETAN. BUT NOT ON MY HANDS

Achieve a flawless, streak-free finish with our Bronze on Applicator Mitt. Ideal for use with self tan foams and lotions, this deluxe velvety mitt also works as a barrier to protect your hands from any unwanted staining. The double sided soft touch fabric can be used on either side.

KEY FEATURES

- Applicator for self tan foams & lotions
- Protects hands from unwanted staining
- Double sided
- Washable & Reusable
- Re-sealable travel bag

HOW TO USE

Slide hand into the Bronze On Applicator Mitt. Pump a small amount of self tan foam onto your mitt. Apply to body in circular motions. Smooth out color for desired look. Repeat for a darker result. Designed for use on either hand. Rinse mitt and allow to air dry completely before reuse.

RESULTS

A flawless streak-free self tan
