

# MOROCCAN OIL

## PRO SPRAY MIST | 1 HOUR EXPRESS TAN

### ENRICHED WITH ARGAN OIL FOR INTENSE HYDRATION

Enriched with argan oil to transform and nourish even the driest skin, My Moroccan is an intensely hydrating bronzing treatment that delivers a super dark brown skin finish. Infused with antioxidant-rich argan oil and replenishing botanicals, My Moroccan is an intense hydrating bronzing treatment that transforms and nourish even the driest skin

### KEY FEATURES

Enriched with Argan Oil

- Australia's iconic beach bronze
- Fast drying
- No orange tones
- No fake tan smell
- All over even skin finish

### KEY INGREDIENTS

- Argan Oil

### RESULTS

**An argan oil enriched skin therapy experience that gives you a rich, super dark brown skin finish.**

My Moroccan Pro Spray Mist suits all skin types and tones for those wanting an intensely hydrating tan that leaves skin moisturized and with a super dark brown finish. Our fast tanning actives begin to work immediately after application. Guide cosmetic bronzers will wash away during your first lukewarm water rinse, while tanning actives continue to work within the skin and deepen in time replacing the cosmetic bronzers as they are washed away during the first shower. Formulated for salon professional use.

### INGREDIENTS
