RESULTS

A natural long lasting glow for your special day.

Perfect Bride Pro Spray Mist suits all skin types and tones for those wanting a natural long lasting glow for their wedding day.

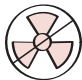

Our fast tanning actives begin to work immediately after application. Guide cosmetic bronzers will wash away during your first lukewarm water rinse, while tanning actives continue to work within the skin and deepen in time replacing the cosmetic bronzers as they are washed away during the first shower.

Formulated for salon professional use.
