

DARK ASH SELF TAN FOAM

COLOR BASE | 1 HR EXPRESS TAN

INSPIRED BY THE ALLURING BRAZILIAN SUN

Look like you've just returned from Rio. Dark Ash gives you a cool, intense super dark brown finish inspired by the alluring Brazilian sun. A mix of dark ash brown bronzers counteracts red and gold undertones in your skin to deliver a natural looking intense tan that captures Brazilian skin tones. Quadruple dark bronzers work with tan extending multi-vitamins and oils to deliver a picture perfect tan in an instant that continues to develop into a cool, super dark brown finish without the fake tan smell.

HOW TO USE

For a streak-free self tan, apply to clean, exfoliated skin using our Bronze On Applicator Mitt. Allow a few minutes before putting on clothes. Use sparingly on elbows, knees and ankles. Wash hands after application.

Shower in 1 hour for a natural tan. Leave on longer, for a deeper darker skin finish. Rinse with lukewarm water only for 45 seconds. Do not use soap or scrubs. Following your first shower your tan will continue to deepen in color over the next 24 hours. Regular showering may be taken 8-16 hours after application.
