

Body Kisses™

Moisturizing Tan Extender with Hemp Seed Extract

SALES FACT SHEET

Story

Prolonging the life of your dark color can now be a daily pleasure! This Amplified Moisture Blend delivers instant hydration, while locking in moisture for hours, ensuring touchable soft skin. Hemp Seed Extract conditions for a younger-looking complexion while Triple Action Toning Complex works to reduce puffiness, protect and energize for a perfectly contoured silhouette. You'll be tickled pink with all the **Body Kisses™** you're sure to receive!

Inspiration/Rationale

- Capitalizes on the popularity of previous Body Kisses
- Satisfies salon requests for return of top-selling sku
- Fulfills needs for a non-Hemp Nation tan extender option

Product Type

- Hemp Seed Extract Tan Extender
- THC-Drug Free
- **Fragrance: Fresh Rain:** with top notes of Citrus, Peach, Strawberry, Pineapple & Cucumber; mid notes of Ozonic, Dewy, Violet, Jasmine, Rose & Hint of Melon; dry notes of Musk & Vanilla

Technology

Amplified Moisture Blend	Powerful blend of moisturizing ingredients that hydrate, protect and seal-in moisture for longer-lasting results
Hemp Seed Extract	Conditions and moisturizes for a radiant, youthful glow
Triple Action Toning Complex	Caffeine, Quinoa and Wheat Germ Extracts work together to protect and energize for smooth touchable skin
