

LIPO TONING CELLULITE TREATMENT

WHAT

- Formulated to help reduce the appearance of dimpling and promote more refined, even-looking skin

WHY

- Use daily after a shower or bath
- Best for toning the skin and re-balancing PH levels
- Helps firm, tone and tighten
- Suitable for all skin types
- Daily use

HOW

- Apply morning and evening to cellulite prone areas, such as thighs, stomach and back of arms. Gently massage the area with your hands.
