

Pierre Freeman's

PROBIOTIC SKIN CARE

# OVERNIGHT HYDRATE MASK

BLENDED WITH ARGAN + TEA TREE OIL

*Helps Replenish Lost Moisture*

*Works While you Sleep*

*Hydrates Skin throughout the Night*

*Guaranteed to make Skin feel Softer, Plumper & Refreshed*

Probiotics, Argan Oil, Tea Tree Oil & Vitamin E are blended to intensely and immediately moisturize your skin. Easily absorbed for long lasting hydrating. Helps skin retain and replenish lost moisture caused by climate fluctuations.

- **TEA TREE OIL** is blended for its anti-bacterial and anti-aging properties.
- **ARGAN OIL** is rich in essential fatty acids that help skin feel smoother and retain moisture.
- **VITAMIN E** is an antioxidant and anti-inflammatory that helps inhibit bad bacteria, free-radicals and harmful UV rays.
- **RICE PROTEIN** helps leave the skin looking smooth and supple by restoring natural barriers against moisture loss.

For best results, **PIERRE FREEMAN'S OVERNIGHT HYDRATE MASK** should be used 2-3 times a week. In dry or cold weather climates, use as often as needed.
