

Australian Gold®

Gelée® with Hemp

SALES FACT SHEET

Story

With Native Australian Oils and Vitamins A and E, this exotic blend is a superb tanning formula, which allows your natural pigmentation process to tan as fast as nature allows! Vitamins and Skin Softening Blend carry nutrients, moisturizers and protectants keeping your skin hydrated and conditioned to allow maximum UV stimulated melanin production. This unique formulation has the tanning power of an oil, moisturizes like a lotion, with the clean after-feel of a gel.

Inspiration/Rationale

- Unique gel/lotion/oil formulation
- Starting price point for the AG collection
- Great option for male tanners

Product Type

- Dark Tanning Accelerator
- Hemp Seed Oil
- **Fragrance: CocoaDreams:** top notes of Orange, Citrus & Banana; mid notes of Medley of Floral Rose & Fruity Coconut; dry notes of Sweet Vanilla

Technology

Unique Formulation	Specially blended provides the tanning power of an oil, moisturizing properties of a lotion and the quick absorption and after-feel of a gel
Hemp Seed Oil	Conditions and moisturizes for a radiant, youthful glow
Vitamins	Vitamins A and E help neutralize free radicals for a more youthful complexion
