

Get Buffed®

Pre-Tan Body Scrub

Skin Balancing Exfoliator

The Perfect Self Tan Prep for Radiantly Smooth Skin Year Round

A perfect tan begins with Get Buffed® Pre-Tan Body Scrub. Formulated with natural exfoliators, plant extracts and vitamins that are exclusively designed to maximize and enhance your sunless tanning results while helping to balance out your skin's pH level.

When used prior to the initial application of any Pro Tan® sunless tanning formulas, Get Buffed® assures a deeper, darker, and longer-lasting tan.

This gentle, smooth action scrub softens your skin's texture, leaving it feeling fresh and clean while our fresh blend of Tropical Mangos and Papaya will leave your senses refreshed and your skin deliciously fragrant.

DIRECTIONS:

Prior to the initial application of any Pro Tan® sunless tanning formulas, apply a generous amount of scrub onto palm of hand or cotton wash cloth while showering. Massage scrub over your entire body with a light amount of pressure. Rinse thoroughly and repeat if necessary.
