

Hot Stuff®

Maximum Vascularity High Definition Optimizer Oil

Enhance the Appearance of Your Vascularity for the Ultimate Shredded Look

Hot Stuff® High Definition Optimizer Oil is formulated with natural buffers and Vasculex, an exclusive combination that helps assist in micro circulation and stimulation throughout the upper levels of the skin. You'll feel a deep, warming heat that helps keep your muscles warm while pumping up backstage. Exceptional natural oils leave your skin with the perfect contest sheen.

DIRECTIONS:

Apply directly to desired areas prior to pumping up back stage. Massage into skin. DO NOT put on face. Wash hands immediately after use. Not recommended for anyone under the age of 18 years old.

INGREDIENTS:

C12-15 Alkyl Benzoate, Methyl Salicylate, Glycine Soja (Soybean) Oil, Zea Mays (Corn) Oil, Methyl Nicotinate, Cinnamomum Zeylanicum (Cinnamon) Leaf Oil, Capsicum Annuum Extract.
